

Product inquiry

Air Spring Systems Market Segment Industry

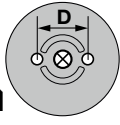

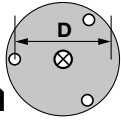

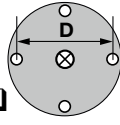

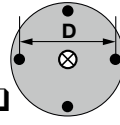

Bellows type/Geometry

 **FS**  **FD**  **FT**  **S**

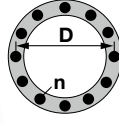

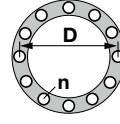

Model series C

     **D =**
E =

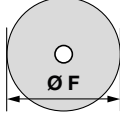

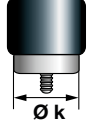

Model series D

      **D =**

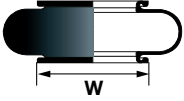

Model series R

    **D =**
Number n =

Model series S

   **F =**
k =

Rubber bellows VP

  **W =**

Air inlet threaded hole Stud bolt

Manufacturer / Supplier / Identification on rubber bellows

Part number / Order number / Replacement part number

Application / Use / Machine

Temperature / Media / Operating pressure / Stroke / Force / Height / Other operating conditions

Additional information and notes

Project / Inquiry number / Subject
