Benova® Eco Protect
For sustainable and durable interior designs

Product Benefits
- Unique quality and comfort, thanks to its particularly soft feel
- Excellent aging resistance and fastness to light for both light and dark colors
- Excellent heat and UV resistance
- Has a low product carbon footprint (PCF)
- Free of materials of animal origin, plasticizers, solvents and other critical ingredients
- Particularly low in emissions and odor
- 20% weight saving on comparable materials
- High design flexibility

Material Construction
